What is PACE/PACENET?

PACE/PACENET is the state of Pennsylvania's Prescription Assistance Program. The program offers affordable prescription drug coverage and can work with other drug coverage.

How Does It Work?

You can have PACE/PACENET whether or not you already have prescription drug coverage. If you have prescription drug coverage, you can use PACE/PACENET to pay for your prescriptions during any gaps in coverage. It can also help you pay for prescriptions that your plan won't cover.

What Will You Pay?

What you will pay each month will depend on if you get PACE or PACENET. For each prescription, you will pay between \$6-\$15.
